A Community Policing Post is a location, within the community, which is used primarily to maximise the time spent by officers and staff within those communities. The majority are already accessed by the public and therefore they may also be used by officers and staff to meet with local people. The old Bromsgrove police station has been disposed of and a new joint Fire/Police station opened in the town.

4. No official visits have been made to the Commissioner in his capacity as Police and Crime Commissioner.
