17 February 2014

Dear Paul

The Police and Crime Plan for West Mercia 2013-2017: Update

Thank you for your letter of 6 February 2014 in response to the proposed variations to the Police and Crime Plan which Barrie Sheldon, my Deputy, discussed with you at the last panel meeting.

Your request to give consideration to including appropriate reference within the Plan to mental health has been reflected in the document and I enclose a word version of the Plan with this letter in which additional references to mental health are made on pages 26, 28 and 46. These additions are shown in blue font.

The varied Plan will now go through a design process before publication. It is my intention that original plan published at the end on March 2013 remains readily accessible on my website.

Please treat this letter and enclosure as our formal response to the Police and Crime Panel representations.

Yours sincerely

Bill Longmore
