FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST.

FOI Query.

Dear West Mercia Police and Crime Commissioner,

It has come to me and my associates attention that the Safer Roads Partnership uses a PO Box number to contact them.

- 1] If the Safer Roads Partnership is a public company, how can they use a PO Box number lawfully?
- 2] Does SRP use private and confidential on letters addressed to man/woman concerned?
- 3] Under what law does it say that a public authority can use a PO Box number?
- 4 A PO Box address is a made up address, how can SRP use a PO Box number lawfully as it's none contractual venue and against postal rules?
- 5] why does the SRP not have a proper address to contact them?

Response.
