The risk that we do not manage our partnerships effectively could lead to our objectives not being achieved, poor value for money and adverse impact on the reputation of the Police and Crime Commissioner.

Community Safety Partnerships (CSPs) and Criminal Justice Partnerships are just some of the key partners assisting the Police and Crime Commissioner to deliver his priorities. Failure to manage these partnerships effectively could lead to the objectives not being achieved, poor value for money and adverse effects on the MTFP.

The risk of failure in performance by external partners including the Force impacting negatively on the delivery of the Police and Crime Plan.

The Police and Crime Plan is the vehicle by which the Police and Crime Commissioner identifies their aspirations for the coming year. Performance against this plan is the major way in which the PCC's performance can be monitored. The delivery of the plan is reliant on the performance of external partners, including the Force. Any failure of performance by these partners can impact on the delivery of the Police and Crime Plan.

Risk Owner & date raised	Initial Risk Level	Desired Outcome	Action Summary	Delivery Date	Action Owner	Last Quarter	Current Risk Level	Owners Prediction	Reassurance Mapping (verified reassurance in order to Tolerate)
Andy Champness (WM) & Neil Hewison (W)		An effective performance monitoring process that identifies performance failure at its earliest opportunity.	Monitoring of Police performance on a regular basis through Performance Management group	ongoing	Jackie Irvin (WM)/ Rebecca Parsons (W)				External partners including the Force achieve or exceed the level of performance expected. Where this is not achieved there is a clear understanding of the issues that inhibited performance.
			For partners funded through the PCCs Community Safety Grants a rigorous process is required before funding agreed. Key objectives and achievements must be identified and how this helps the PCC achieve the aspirations in their Police and Crime Plan. This is to be reviewed regularly.	ongoing	Glyn Edwards (WM) / Rob Phillips (W & WM)/ Neil Hewison (W)				
			Business and Rural Crime board and a Cyber Crime Board has been established to allocate funding to partners across the Alliance. The board establishes a forum where best practice can be shared across the Alliance and performance can be monitored and challenged.	ongoing	Cheryl Bridges (W), Debbie Mullis (W)/ Jackie Irvin (WM)/ Rebecca Parsons (W)				
			Police and Crime Plan aligned and published with the Community Safety Agreement		Neil Hewison (W)				
			A Policy Officer now integrated into the Force Business , Assurance and Improvement Team	ongoing	Rebecca Parsons (W)				
			Involvement in Crime Reduction Board , Local Criminal Justice Board, representation on the YOS	ongoing	John Campion (WM)				
			The use of Warwickshire Observatory for performance data	ongoing	Neil Hewison (W)				
			Grants given to partners reviewed on a regular basis. Successful grant applicants required to provide regular reports	ongoing	Glyn Edwards (WM)/ Neil Hewison (W)				
			The two OPCCs have a varied array of partners. The higher likelihood score for West Mercia reflects the larger and more complex partnership base in the area. Which means some of the solutions adopted by Warwickshire are more difficult to implement across West Mercia.
