

# PCC Funding Initiatives

## North Worcestershire

March 2020

---

## Victims

All PCCs receive an annual grant from the Ministry of Justice to commission free practical and emotional support helping victims cope and recover, whether they have reported it to the police or not. John Campion provides a 'top up' to this funding stream from his own budget, ensuring specialist providers are accessible to victims of domestic abuse, sexual violence and child sexual exploitation

**£29,986**

To West Mercia Women's Aid to provide additional capacity to the existing PCC funded CYP project and facilitate the provision of bespoke programmes of support to children between the ages of 5-19 whose parents/carers are engaged in Drive or are being considered by the DAPP panel.

## The Commissioner's Grant Scheme (CGS)

This budget focuses on projects committed to delivering outcomes in the Safer West Mercia Plan.

**£1,000**

To the Magistrates Association for the Court Mock Trial competition. Schools run a citizenship curriculum to teach students about the country they live in and their responsibilities within it; this includes

how the criminal justice system in England and Wales works, focusing on human rights and the importance of a fair trial. A competition is held, where the students participate in a mock criminal trial and focuses on areas relevant to them such as cyber-bullying, alcohol, gangs, etc. This whole process teaches young people to respect the law, work with the police, and increases their understanding of the causes of offending and how to address it.

**£20,000**

To Worcestershire Arts Partnership for Inspiring Futures through the Arts: using high quality artists, selected by a panel of probation officers, service users and arts experts, to provide a regular programme of arts interventions/diversionary activity for offenders who are at risk of re-offending.

**£100,000**

This forms part of a £600k Drive project to deliver in Worcestershire until June 2020. The Drive Project aims to reduce the number of child and adult victims of domestic abuse by deterring perpetrator behaviour. Drive provides a case worker who acts as a single point of contact for perpetrators on a 1-2-1 basis. They work closely with all statutory agencies including the police, probation and children's services to maximise the impact of the criminal justice system, developing and agreeing strategies to limit the opportunities for the perpetrator to continue abusing. This pilot focuses on priority (high-risk or serial) perpetrators, as this group carries the greatest risk of serious harm and engage poorly in available services.

## £20,000

To Lord Taverners for the Wicketz project using cricket as a catalyst to engage Kidderminster's young people experiencing deprivation and disadvantage. The programme is supported by 'lifestyle workshops', delivered by subject experts on local issues such as knife crime, social media safety and gang activity. It is very much focused on community cohesion.

## £10,000

To Herefordshire and Worcestershire Fire and Rescue Service (HWFRS) to pay for a commissioned evaluation of the Dying to Drive (D2D) programme. D2D is a multi-agency road safety scheme aimed at changing behaviour amongst young road users, empowering them to make positive choices reducing death and serious injury across Herefordshire and Worcestershire.

## Preventing/Reducing Burglary

Upper Tier Local Authority Councillors have access to financial support for reducing acquisitive crime. The PCC offers a 25% contribution to the WDBC scheme increasing the 'We Don't Buy Crime' areas across West Mercia. WDBC towns and villages are where 70% of residential properties have marked their possessions with smartwater (a water based solution with a unique forensic code that shows up under UV light) WDBC signs are installed through the village/town warning potential offenders preventing burglary. In North Worcestershire the following areas are implementing the WDBC scheme: Rock, Upper Arley, Trimperley, Wythall, Frankley, Chaddersley Corbett, Blakedown, Bentley, Feckenham, Bournheath, Shawbury, Hadnall, Chetwynd Aston,

West Felton, Majors Green, Hartlebury, Romsley, Clent, Fairfield, Hanbury, Headless Cross, Walkers Heath Little Witley, Beoley, Kidderminster, Astwood Bank, Cofton Hackett and Dodford and Grafton.

## Community Safety Partnership (CSP) Grants
