WHILST WE ARE LUCKY TO HAVE SOME BEAUTIFUL BODIES OF WATER NEARBY, IT'S IMPORTANT TO KEEP YOURSELF AND YOUR LOVED ONES SAFE:

- **If your mates on the beer, keep them well clear.**
- **Stick together with your group.**
- **Take care when jogging, walking or cycling near water.**
- **Respect the water and understand the dangers.**
- **Don't swim at unsupervised sites including lakes, quarries, canals, reservoirs and rivers.**
- **Make sure you know what do if you get into trouble.**
