PCC Funding Initiatives

Shropshire

October 2020

The Commissioner's Grant Scheme (CGS)

This budget focuses on projects committed to delivering the Safer West Mercia Plan outcomes.

Preventing/Reducing Burglary

Upper Tier Local Authority Councillors have access to financial support for reducing acquisitive crime. The PCC is offering a 25% contribution to the We Don't Buy Crime (WDBC) scheme increasing the reach across West Mercia. Up to £225,000 has been made available from the PCC to invest in this initiative.

WDBC towns and villages are where 70% of residential properties have marked their possessions with Smartwater (a water based solution with a unique forensic code that shows up under UV light). WDBC signs are installed through the village/town warning potential offenders to prevent burglary. Traces of Smartwater found on an offender provides the evidence required for a successful prosecution.

Registered Smartwater identified on stolen property increases the likelihood of it being returned to the owner. In Shropshire the following areas are implementing the WDBC scheme: Cleobury Mortimer, Higher Heath, Hopton Wafers, Kinlet, Badger, Sutton Maddock, Boraston, Shifnal, Waters Upton, Neene Savage, Prees, Church Aston, Bayston Hill, Bicton, Wen Rural, High Eccrall, Uffington, Lydbury North, Berrington, Arham, Easthope, Shipton, Stanley Long, Tibberton and Cherrington, Count, Leighton, Eaton Constantine, Wroxeter and Upping, Buildwas, Billingsley, Burwarton, Chelton, Eardington, Morville,
