PCC Funding Initiatives

South Worcestershire

February 2021

Victims

All PCCs receive an annual grant from the Ministry of Justice to commission free practical and emotional support helping victims cope and recover, whether they have reported it to the police or not. John Campion provides a 'top up' to this funding stream from his own budget, ensuring specialist providers are accessible to victims of domestic abuse, sexual violence and child sexual exploitation

£22,500

To West Mercia Women's Aid to provide additional capacity to the existing PCC funded CYP project and facilitate the provision of bespoke programmes of support to children between the ages of 5-19 whose parents/carers are engaged in Drive or are being considered by the DAPP panel.

The Commissioner's Grant Scheme (CGS)

This budget focuses on projects committed to delivering outcomes in the Safer West Mercia Plan.

£22,085

To the Aspire Academy for the 'Aspire Plus'. The project aims to engage vulnerable young people at risk of offending and anti-social behaviour in an out of school programme of activities to boost social skills and employability prospects.

£30,000

To Longlands Care Farm to provide an alternative education setting for young people who are excluded from and/or struggle with mainstream education settings. The project enables young people to gain hands on, practical workplace experience as well as achieving recognisable qualifications leading to further education and/or employment. It also provides mental health support for young people suffering depression, anxiety and anti-social and anger issues.

£202,533

The DRIVE project launched in 2017 with the original funding coming from the MOPAC Police Transformation Fund and match funding from the West Mercia PCC and Worcestershire County Council Public Health. With the current success the PCC and WCC agreed to match fund the extension of the Drive project post April 2020 to March 2021. Included in this funding is £22,500 for West Mercia Women's Aid DRIVE CYP worker to support the children and young people of the perpetrators currently going through the DRIVE project. In addition, a DAPP coordinator is also funded through the total. Their role is to collate the relevant data about the perpetrator from police systems and other relevant sources and present at the DAPP meetings to provide thorough information sharing.

£2,500

To Support for Prison In reach - SSAFA Caseworkers. This grant will fund travel expenses for caseworkers to engage with ex-servicemen and women who are incarcerated to support repatriation and a crime-free

life and offer them and their families pastoral and material support.

£20,000

Providing link workers for Worcestershire's GET SAFE strategic and operational groups. The posts will be working with children and young people in, or at risk of criminal exploitation. They will build a relationship with the victim, giving them 121 support motivating them to reach their potential and encouraging them to engage with sustainable positive activities. The purpose is to divert through enhanced intensive support.

£20,000

To Worcestershire Children First for a Get Safe Community Worker. This project caters for the AMBER risk young people in the GETSAFE agenda for Worcestershire, this being a gap in service provision identified. The project works alongside Young Solutions from the Voluntary sector.

£20,000

To Worcestershire Arts Partnership for Inspiring Futures through the Arts. Using high quality artists, selected by a panel of probation officers, service users and arts experts, to provide a regular programme of arts interventions/diversionary activity for offenders who are at risk of re-offending

Preventing Burglary

Upper Tier Local Authority Councillors have access to financial support for reducing acquisitive crime. The PCC is offering a 25% contribution to the We Don't Buy Crime (WDBC) scheme increasing the reach across West Mercia. Up to £225,000 has been made

available from the PCC to invest in this initiative. WDBC towns and villages are where 70% of residential properties have marked their possessions with smartwater (a water based solution with a unique forensic code that shows up under UV light) WDBC signs are installed through the village/town warning potential offenders to prevent burglary. Traces of smartwater found on offender, provides the evidence required for a successful prosecution. Registered smartwater identified on stolen property increases the likelihood of it being returned to the owner. In South Worcestershire the following areas are implementing the WDBC scheme: Cropthorne, Ombersley, Stockton, Wickhamford, Elmbridge, Stock and Bradley, Abbots Morton, Overbury, Dodderhil, Badsey, Ashton under Hill, Beckbury, Wichenford, Rushock, Elmley Lovett, Bredon, Claines, Church Aston, Monkwood Green, Sinton Green, Grimley, Wyre Piddle, Eckington, Warndon, Elmley Castle, Malvern Chase, St Peter's, St John's Henwick Park, Hindlip, Segberrow, Little Dewchurch, Great Comberton, Bishop Frome, Martley, Beckford.
